Individual paintings in Series One and Two (and in the front window) are \$134 each separately, \$124 each when you buy two or \$120 each when you buy three or more\*.

The cubes in Series Three are \$480 each. The seven-piece hangings in Series Four are \$620 each.

\*The individual paintings in series one and series two (and in the front window) are designed to work with all the other pieces in the collection as well as the groups they are displayed in and so are sold separately (so you can choose groups that match or mix-and-match, as you prefer).
